

STRATEGIC ACHIEVEMENTS

Navigating the world of special needs and neurodiversity can be a difficult and daunting experience for anyone. The holistic approach services we provide are innovative and unmatched! We help your workforce and clientele strategically achieve optimal performance.

WHAT WE DO

- We are an **easily accessible resource** to you and your clientele for any case and workforce involving special needs and inclusive spaces
- As experts, we go above and beyond to help you be the **best attorney** for your clients
 - Consultation and education regarding a vast variety of diagnoses, benefits and entitlements, special education, state and federal regulations, links to resources of services for your clients and more!
 - Complete investigations and fact finding reports that help support your cases, using our expertise for your differently abled clientele.
 - Testimony provided upon court order as your supportive expert witness
 - We can also work directly with your family clientele in order to guarantee they are receiving all services and benefits their child may be eligible for!
 - We work with all attorneys!

Monthly retainer and hourly billing options available

Client Testimonials

If it weren't for you, I would have never known that I could successfully hire and maintain employment of someone with down syndrome as part of my workforce. She's one of the best decisions that I've ever made!

Oh wow, I didn't know that! Thank you so much for all of the information you provided me. I was able to successfully litigate for my client!
